

April 2023

“Gardeners, scholars say, are the first sign of commitment to a community.” – Anne Raver

Remembering Bill Rowe

This week, thanks to Peggy Palmieri and former garden members Maria Cercone and Bryan Manter, we learned that Bill Rowe took ill in the summer of 2021 and recovered before he passed away at the end of 2021 or the beginning of 2022. We couldn't find an obituary online.

For those of you who didn't know him, Bill was a former Riverbend Community Garden member who once served on the Steering Committee. He will always be remembered for designing and landscaping the grounds in front of the garden. He also had artistic and culinary talents that he shared with many of his garden friends, both in the garden and away from the garden.

Rest In Peace William “Bill” Rowe!

Annual Meeting Reminder

As a final reminder, The Annual Meeting of Riverbend Community Garden is this Saturday, April 22, 2023, at the Charlotte and William Bloomberg Medford Public Library on High Street in Medford at 10:00 AM.

We hope to see you there.

Water, Water Everywhere!

Today, the City of Medford Water Department turned on the water at Riverbend Community Garden.

The garden hoses are not hooked up yet but will be, time permitting, either before or after the annual meeting.

Please use the watering cans in the shed if you need to water anything that you have planted prior to the annual meeting.
