

Reserve Your Seat!

Please join the Riverbend Garden Committee at our Annual Barbecue on Saturday, September 16, 2017, from 1:00 PM to 5:00 PM, weather permitting. The rain date is Sunday, September 17, 2017.

We will provide the main course, bottled water, condiments, flavored seltzer water, paper and plastics products, soda, etc. Feel free to imbibe in the alcoholic beverage of your choice. Some gardeners graciously bring appetizers, desserts and/or side dishes to compliment the main course.

What We Need

Please provide the following information to help us prepare for the Annual Barbecue:

What is your Name?

Will you be attending?

Will you be bringing a guest or guests?

If yes, how many guests?

Will you be bringing an appetizer, side dish or a dessert?

If yes, what will you be bringing?

Please send your information to:

riverbendcommunitygarden2003@gmail.com

no later than Friday, September 8, 2017, to be included in this great annual tradition. We look forward to seeing all of you on Saturday, September 16th.

What A Great Yield

In spite of a nasty rainy April and a cool May, many gardeners are satisfied with their yield this year. Some of the comments received:

“I had the best tomatoes this year.”

“Everything grew in abundance.”

“I can’t believe how many vegetables I got.”

“Everyone’s garden looks great.”

It’s not too early to start thinking about next year because we will survey the membership soon to see who is going to commit to gardening for another season.

Scheduled Work Days

There are only two (2) work days remaining in our 2017 Garden Season:

Saturday September 9, 2017

Saturday, October 14, 2017

Almost everyone has fulfilled their two 3-hour work day commitment. Most of you who owed a work day from last year are scheduled to fulfill your commitment. We are working with a few others who need to make up a work day in hopes of starting the 2018 Garden Season with a clean slate.

Thank you for your commitment and dedication to the Riverbend Community Garden. It’s what sets us apart from other community gardens.

As A Reminder

The materials & tools in the shed are community property for every gardeners use. Please remember to return the materials and tools to the shed when you are finished using them.

Gardeners who fail to replace the materials and tools and leave them in their garden plot only invite non-gardeners to enter the garden and steal them. Simply said, we shouldn’t encourage any more pilferage than we already have.
