April 2020

Update on the Garden Fence!

Bryan Manter reports that Carli Fence will be raising our fence to its new six foot (6') height this Thursday, Friday and next Monday and Tuesday. Please practice "stay at home" and "social distancing" recommendations while Carli's workers complete this project.

Thanks to Mary Werowinski who has been added to the list of garden members below who generously contributed \$2650.00 to the garden fence and keyless entry project:

Linda Arini
Lois Bellini
Greg & Rita Danilchuk
Nancy Hayes & David Mussina
Andrea Jones
Ed Kleifgen & Julia Lisella
Richard & Fred Laskey
Bryan Manter
David & Kathy McQueen
Craig Milanesi
Daria Medwed
Pamela Moll
Alexander Pancic
Lisa Rauch
Mary Santoro
Bishal Thapa
Bob Veneziano
Mary Werowinski

Update Continued!

Bryan will focus on getting the keyless entry system installed while Carli Fence raises the fence. Hats off to Bryan again for his dedicated commitment to the garden fence and keyless entry project.

Better Days Are on the Way!

Every time I start to plan for the 2020 garden season, the President extends the Covid-19 Guidelines from 15 days and April 6th to April 30th, the Governor moves his stay at home guidelines out to the end of May and I'm sure that the Mayor will follow suit. Personally, I may retain my membership but limit my gardening to picking and planting my garlic in 2020, maybe replacing my boards and looking forward to a better garden season in 2021; especially now that the experts are talking about a second wave of the pandemic in the fall.

Please be patient while we try to work around and in between this pandemic. Next week, I'll be back in touch with the membership to gather information and to provide you with some preliminary ideas. Until then, stay safe, get some outdoor exercise if possible and hope for better days.
