Welcome 2 More New Garden Members

Please join me in welcoming two new garden members to Riverbend Community Garden: Sai Potluri and Tonya Salerno.

Sai opted to take full plot No. 31 that was previously held by Ivan Sweeney. Tonya opted to take full plot No. 19 that was vacated by Andrea Jones who moved to full plot No. 12 that became vacant with Lena Gasbarro's resignation.

These new garden members complete our 2022 Garden Roster. A new plot map is being updated and will be posted on the inside of the shed door.

We had fun last year. Let's have fun again!

Remaining Work Days

The following are the remaining work days for the 2022 Garden Season:

Saturday Work Days

JUN 18

SEP 10

OCT 24

Monday Work Days

JUL 11

AUG 15

Please complete your work day hours. We had to end one member's garden membership this year for failure to complete work day hours and other issues. This is only the second time in 19 years that we recall ending someone's garden membership. The first time, we ended someone's membership for taking produce out of other gardener's plots without their permission.

This is a "community garden" and all of its members must show their community spirit, not only by maintaining our plot, but also by participating in the maintenance of the common areas and assets of the garden.

Please let us know if you have a valid reason why you cannot complete or make up your work day hours. The Steering Committee will work with you to fulfill your commitment.

Happy Memorial Day!
